SOMETHING TO THINK ABOUT FROM THE MESSAGE (4-26-20)

*What do you appreciate most about family and what do you find challenging about family?

*What are some of the ways recent events and “sheltering at home” has impacted your family?

*What do you think it might have been like to have Jesus as your son?

*What do you think it might have been like for Jesus, the Son of God, to submit to his earthly parents? What can you learn from His example?

*Today’s message mentioned the need to not only care *about* our family, but to care *for* our family as well. What does this currently look like in your life? Does this come easily for you or are there some challenges?

*What does it mean for you to care more about your Heavenly Father than you do about your earthly family?

*One of today’s points is that we should also care for those who may have trouble caring well for themselves. Who might there be in your life that falls under this category and what might God be calling you to do?

*Please take a moment to close your time with prayer for your family relationships or any other matters that are on your heart.
