SOMETHING TO THINK ABOUT FROM THE MESSAGE (5-3-20)

*What is a time in your life in which circumstances were difficult and how did that trial impact your relationship with God?

*The phrase, “How long?” occurs 66 times in Scripture. How do you tend to react when a trial comes and won’t leave or when you pray for relief and don’t get the response you had hoped for?

*Why do you think Scripture seems to invite us to “cry out” to God, but warns us against “grumbling about God.”

*Why do you think that in some cases trials deepen a person’s relationship with God, while for others it has a negative impact on their relationship with God?

*What’s one thought from this week’s message that resonates with you?

*1 Peter 5:7 says, “Cast all your anxiety on him because he cares for you.” What challenges or trials are you currently facing? Take a moment to pray and call upon the Lord.
